Vacation Activity Book

Class 2

A bridge to class 3

Dear children,

The long awaited summer vacation is here. Summer is a time to relax, to be productive and to get ahead. As important as it is to rest and enjoy, it is also important to continue to learn. Strike a balance between work and play and allow yourself to grow in the process. You can spend your time as you wish but make sure that along with enjoying and relaxing make this summer a time to learn new things exploring the opportunities available.

To enhance your learning we have planned enjoyable activities to keep your skills sharp and concepts clear. It will surely enhance your learning process.

Relax, enjoy and have lots of fun.

ACTIVITY :

→ Respecting teachers is a good means to receive blessing from God. Let us grow with love and gratitude towards our teachers. September 5 is celebrated as Teachers' Day. On this day, all children greet their teachers.

Prepare a good greeting card for your teacher to greet him or her on the coming Teachers' Day.

→ Volunteer for someone elderly throughout the summer e.g. watering plants, helping pick up shopping etc.
